

Breathe Free Philadelphia Alliance

Please Return to: Katherine Gajewski • c/o CAC 135 S. 9th St, #300 - Philadelphia, PA 19103 • f: 215.567.0441

We all deserve the right to breathe clean air.

Philadelphia will only go smoke-free with the help of its citizens. Please talk to your friends, family, neighbors, and co-workers and ask them to support our efforts.

Take action NOW! Sign the petition and tell City Council to protect us from secondhand smoke by making Philadelphia 100% Smoke-Free.
