Vape Shops with Masks – Mineola, NY

Well, hospitals and first responders may not have any N95 masks for the Coronavirus ...but the public can buy them at the vape shop. They are all next to the bongs and tobacco.
Golden cookie with vanilla pudding that has a little custard hint to it that sets it apart. Use code COVID-19 for 19% off all eLiquids through the end of this month.

Bidi Vapor – Health Claims

A vape pen offers a flavorful nicotine experience. Since it has different synthetic compounds compared to tobacco, the vapor that you're breathing is safer. In contrast, standard tobacco cigarette contains over 6,000 synthetic compounds—a considerable number of toxins, which can damage the body.

Bidi Vapor – Health Claims

Less harmful chemicals and toxins are used in vape products than in traditional cigarettes.

Bidi Vapor – Switch Claims

Bidi Stick has a higher nicotine content that most other vape products, enabling adult cigarette smokers to transition in a more seamless way to vaping without losing the flavor they are used to.
