

FY2016

State Tobacco Prevention Spending as a Percent of CDC Recommendations

- States that are spending 50% or more of CDC recommendation on tobacco prevention programs.
- States that are spending 10% - 24% of CDC recommendation on tobacco prevention programs.
- States that are spending 25% - 49% of CDC recommendation on tobacco prevention programs.
- States that are spending less than 10% of CDC recommendation on tobacco prevention programs.

*Note: Illinois and Pennsylvania tobacco prevention program budgets for FY2016 were not available when this report went to press. In FY2015, Illinois budgeted \$11.1 million, which was 8.1% of CDC's recommendations. Pennsylvania's FY2015 annual spending was estimated at \$13.8 million (not confirmed by health department), which was 9.9% of CDC's recommendations.
