Package coverage

Health warnings are required to cover 35% of the front and 35% of the back of the package. Overall, 35% of the package space is appropriated to health warnings.

Rotation schedule and history

Six health warnings are used on cigarette packages and the law requires a different set of warnings to be introduced every two years.

Restrictions on misleading information

Misleading descriptors such as “light,” “mild,” and “low tar” are prohibited from appearing on packages.
